

# THE WM. POWELL COMPANY

## PRODUCTS AVAILABLE

### BRONZE

Products: Gates, Globes, Checks  
Size Range: 1/8" to 24"  
Pressure Class: 125, 150, 300  
Materials: ASTM B-61 & ASTM B-62

### IRON

Products: Gates, Globes, Checks  
Size Range: 2" to 60"  
Pressure Class: 125 and 250  
Materials: ASTM A126 Class B and 3% Nickel Iron

### CAST STEEL (BOLTED BONNET)

Products: Gates, Globes, Checks, & Non-Return Valves (API 600, ASME B16.34)  
Size Range: 1" to 60"  
Pressure Class: 150, 300, 600, 900, 1500, 2500  
Materials: WCB, WCC, WC6, WC9, C5, C12, C12A, LCC, LCB, 316, 316L, 304, 304L, A-20, Monel, Hastelloy C, Hastelloy B, and Nickel

### CORROSION RESISTANT

Products: Gates, Globes, Checks (API 600 and API 603, ASME B16.34)  
Size Range: 1/8" to 60"  
Pressure Class: 150, 200, 300, 600, 900, 1500, and 2500  
Materials: 316, 316L, 304, 304L, A-20, 317, 317L, 347, 321, Monel, Hastelloy C, Hastelloy B, Inconel, Titanium, and Duplex Stainless

### CRYOGENIC

Products: Gate, Globe, Check Valves (ASME B16.34)  
Size Range: 1/2" to 30"  
Pressure Class: 150, 200, 300, 600, 900, 1500  
Materials: Bronze, WCB, WCC, WC6, WC9, C5, C12, LCC, LCB, 316, 316L, 304, 304L, A-20, Monel, Hastelloy C, Hastelloy B, and Nickel

### NUCLEAR

Powell is a pioneer in the Nuclear Industry. "N" and "NPT" Stamp Approved.

### PRESSURE SEALS

Products: Gates, Globes, Checks, & Non-Return Valves (ASME B16.34)  
Size Range: 2" TO 42"  
Pressure Class: 600, 900, 1500, 2000, 2500, and 4500  
Materials: WCB, WCC, WC6, WC9, C5, C12, C12A, LCC, LCB, 316, 316L, 304, 304L, A-20, Monel, Hastelloy C, Hastelloy B, and Nickel

### KNIFE GATES

Products: Knife Gates  
Size Range: 2" TO 24"  
Pressure Class: 150  
Materials: 316, 316L, Hastelloy, and Special Alloys

### TILTING DISC CHECKS

Products: Tilting Disc Checks Pressure Seal & Bolted Bonnet (API 600, ASME B16.34)  
Size Range: 2" TO 24"  
Pressure Class: 150, 300, 600, 900, 1500, 2500  
Materials: WCB, WCC, WC6, WC9, C5, C12, C12A, LCC, LCB, 316, 316L, 304, 304L, A-20, Monel, Hastelloy C, Hastelloy B, Nickel

### FORGED STEEL

Products: Gate, Globe, Swing/Lift/Ball Check, Needle globe  
Size Range: 1/4" to 2"  
Body Styles: Welded & Bolted Bonnet  
End Type: Threaded, SWE, BWE, and Flanged (Class 150, 300, 600)  
Pressure Class: 150, 300, 600, 800, 1500, 2500  
Materials: A105, F22, F11, F5, F9, 316, 316L, 304, 304L, F91, and Special Alloys

### SPECIALS

Powell has the ability to engineer, design and manufacture unique valve requirements by utilizing our expertise, experience, worldwide resources and over 150 years of valve "know how".

# Cleveland Valve & Gauge

*Industrial Valve Repair Specialists*

4755 West 150<sup>th</sup> Street, Cleveland, Ohio 44135

Toll Free: 800-860-4284 – Fax: 216-362-6555

**Authorized Dresser “Green Tag” assembly and repair center**

- Project Management / Preventative and Predictive maintenance programs
  - ValvKeep™ Safety Valve Tracking System
- Electronic Valve Testing (EVT) In-Line Safety and Relief Valve Setting and Testing

**All valve types repaired - Shop and On-site**

- Ball • Gate • Globe • Check • Control • Butterfly
- Turbine throttle, Intercept, Re-Heat Stop • Sootblower Valves
- Obsolete Parts - remanufactured or reverse engineered

**Complete Motor Operator Repair Service !**

- New and recertified units available for quick change out
- Full range of parts in stock for:
  - Limitorque • Rotork • EIM

**Inventory Valves & Parts :**

- Authorized Powell • Crosby • Fisher • Hancock • Yarway • Kunkle
  - Metal Seated Ball Valves
- Packing Sets and Gaskets: ARGO • Garlock • Flexigraf • Lamons
  - Pressure Seal Rings (metal and composite manufactured)

**CVG Since 1857**

**Proudly serving the Power, Process, Paper , Steel and Municipal Water Authorities.**

**24 Hour - 7 Days a Week Emergency Service**
